## Available Version?

Posted by brucestout - 2008/05/10 13:07

---

Is there a version available for TM8 that has not expired?

I will try to get one posted by the end of the week. Monitor this thread, or the Description Edit page for an updated version.

I have updated Description Edit 8, and will do the same for 9 as well. It is available for download immediately. Let me know if you run into any problems.
